Website: <http://productionsimple.com>

Social Media Links and Bio:

I enjoy being a team player and working/communicating with others, but able to take control of an event or situation in order to get the job done. Been Tour managing / Artist liaison for almost 6 years, which has allowed me to use those tools I've learned from those experiences and continue to learn daily in this industry to help both myself and the people around me to be successful and get the job done.
