

Festival and Event Organizations

www.AboutFest.com -FestForums –

previously FestForward – is a conference and convergence of music/film/food/wine and beer & other genre festivals that will examine best practices in the industry incorporating new technology, sustainability, innovation, safety & collaboration. The discussion will focus on solutions, trends, resources in the marketplace and how to improve the fan/attendee/talent experience. The speakers and attendees consist of festival professionals from SXSW, Vans Warped Tour, Coachella, Bonnaroo, Lollapalooza, SOBE, LA Food and Wine, Austin Food and Wine and leading film festivals. Parties, receptions, an awards ceremony and live music in beau colic Santa Barbara and NYC in 2016 make this a can't miss event.
