I believe your reputation is a key part of every event. Getting you the call, and being reviewed every show by your co workers.

People want to work with those that make the job site easier and can pull together a show.

Social Media Links and Bio:

I have over 10 years of experience working in the entertainment and hospitality marketing field, and started incorporating social mediums as a marketing, branding and customer service tool when people were still asking, "What's Facebook?" Five years ago, I started Pigtail Media, an experiential, social media marketing group for the hospitality industry. I love to travel and continue to be a kid by doing lots of cartwheels and handstands.
